APPLICATION FOR ADMISSION

APPLICATION PROCEDURE:

1. Fill out this form and turn it in to Crossroads or the Quilcene High School office. If your last school was Quilcene High, you do not need to fill out the REQUEST FOR RECORD page.
2. Interview with at least two of the Admissions Committee.
3. Write an essay on the Crossroads Creed **OR** make a verbal presentation to the Crossroads students about how you can respect and support the program.

In some cases students may be admitted first to the once-a-week program, then later placed in the Tuesday, Wednesday, Thursday program.

Alternative school works well for some students but not all. When we have vacancies, we try to accept students more likely to:

- learn more academically
- succeed more socially with other students and
- find a secure, healthy personal identity

at Crossroads Community School rather than a traditional high school.

Admissions Committee for Crossroads:

- Phil Davis, Crossroads Instructor and Program Coordinator
- Shea Harrington, School Counselor
- James Betteley, Quilcene School District Principal

Parents, Crossroads students and Quilcene teachers may support an application with letters or verbal advice; however the Admissions Committee makes the final decision.
